## **Group Discussion Questions**

1. Read 1 Corinthians 14:1-25.
2. How have you observed the gift of tongues practiced and taught in your life? Did it have a positive or negative effect on your faith?
3. What is the difference between desiring something and pursuing something? What does verse 1 say we should desire and what does it say we should pursue? Why?
4. How important is it for a church to strengthen people's faith in God? What are some other goals that often get in the way of the ultimate goal of building people up in the Lord? What could happen if a church lost sight of this?
5. Have you ever been in a worship service where you did not understand what was said? How did that impact your worship? Does a Christian worship service have to be done in a language that is generally understood by its hearers? Why?
6. Have you ever been so inexperienced in a type of evil, you wouldn't know how to commit it even if you wanted to, as verse 20 says? Why? Have you ever been so skilled in a type of evil, that it made you wonder why you weren't that smart in righteous things? Why?
7. Why is it important for churches to evaluate their worship, to an extent, through the eyes of unbelievers, as verses 22-23 say?
8. Pray for our church, that our church members leave every worship service fully understanding the word of God preached to them. Consider attending our church prayer meeting tonight at 7 pm. Register at the church website at [www.apollobaptist.org](http://www.apollobaptist.org).
