## **Group Discussion**

1. What are your initial takeaways from Psalm 122?
2. Are you glad to go the house of the Lord on July 5<sup>th</sup>? Why?
3. We acknowledge that July 5<sup>th</sup> will not be the day many will be able to return to in-person meetings. Take some time to discuss how you have learned to stay connected with the church even though you have had to remain at home.
4. How does being members of the same church make different people bound together as it said in verse 3?
5. It may sound obvious that the house of God is about God. Is it possible for us to make the house of God about something else? What?
6. How can Christians be both pro judgment and pro justice when those two things seem to be at odds right now in our country?
7. How have you received peace and security from the house of God?
8. Review how your group is doing making connections, conversations, and conversions with unchurched people for our Who's Your One Display.
9. Discuss the Annie Armstrong Offering starting this week and our \$10,000 goal.
