**II. Elders in the Old Testament**

- A. The call for elders reflects God's heart for \_\_\_\_\_

(Jeremiah 3:14-15).

\_\_\_\_\_ of His people (Isaiah 40:11-12).

**III. Elders in the New Testament**

## **Group Discussion Questions**

1. Read Acts 14:19-23.
2. How is it that a crowd of people who, just a verse ago, were trying to worship the ground Paul walked on, end up stoning him later? What does this tell you about the kind of leadership the world wants?
3. What does Paul and Barnabas' return to Lystra, Iconium, and Antioch in verse 21, the very people who incited the crowd to stone him, tell us about how much the gospel is worth? Considering they had already been to these places and made disciples, how much does this tell us discipleship is worth? Why?
4. What were the three discipleship goals of Paul and Barnabas for the new believers in verse 22? Why do you think these things were emphasized?
5. What about appointing elders (also known as pastors) do you think Paul and Barnabas thought would help these new churches in their absence? Why is it important for churches to have good pastoral/elder leadership today? Consider reading Titus 1:5-16 and Ephesians 4:11-14.
6. Pray for each other, that God would strengthen your soul, encourage your faith, and help you endure tribulation. Consider attending today's special Zoom Prayer Meeting at 5:15 pm with the VBS workers.
